

## School Fees 2017 – 2018

The Superintendent shall recommend to the Board a schedule of fees, if any, to be charged students for the use of textbooks, consumable materials, extracurricular activities, and other student fees. Students must also pay for the loss of or damage to school - books or other school owned materials/property.

Fees for textbooks, and other instructional materials are waived for students who meet the eligibility for a fee waiver as described in School Board Policy 4:140. In order that no student is denied educational services or academic credit due to the inability of the parent/guardians to pay student fees, the Superintendent will recommend to the Board which additional fees if any, the District will waive for students who meet eligibility criteria for fee waiver. Students receiving a fee waiver are not exempt from charges for lost and/or damaged books, locks, materials, supplies or equipment.
